Health Care Reform Workshop: Impacts on Employers and Employees

Only \$35

Sunday, August 29th - 1:00 to 3:00 PM

Workplace Application: *This two-hour session is designed to help you better understand this sweeping new legislation from a structural and strategic standpoint. An expert consultant from Hewitt Associates will speak to the implications of Health Care Reform for your organization.*

Now that Health Care Reform has been enacted, employers and plan sponsors are beginning the process of understanding the programmatic requirements of the new legislation. There are also important strategic considerations for you to anticipate and plan for relating to Health Care Reform.

Highlights:

- Current understanding of the laws, requirements and intent
- How to develop a benefit strategy and how to effectively engage your workforce in light of Health Care Reform
- An interactive discussion with you on specific questions you may have relating to your organization's needs
